2022-2025 Mumbai University	Bachelor in Computer Science D.G.Ruparel College Passed with CGPA of 8.14
2019-2021 Maharashtra State Board	HSC (12th Science) ST.Thomas College Passed with 78.33

PROFESSIONAL COURSES

2025-Pursuing	Java Full Stack Developer Itvedant Education
----------------------	--

TECHNICAL SKILLS

- Frontend:** HTML, CSS, JavaScript, Bootstrap, React.js ,Three.js
- Backend & Database:** Node.js, Express.js, MongoDB
- Tools & Platforms:** Visual Studio Code, GitHub

PROJECTS

Web Talk | MERN Stack (React.js, Node.js, Express.js, MongoDB, Socket.IO, Chakra UI)

- Built a real-time chat application with one-on-one and group conversations.
- Implemented Socket.IO for live messaging, typing indicators, and user presence.
- Designed a responsive UI using Chakra UI with login/signup, guest login, and profile management.
- Added group features: creation, renaming, and member addition.
- Developed RESTful APIs for authentication, chat, and message handling.
- Enhanced user experience with notifications and dynamic chat updates.

Personal Portfolio | React.js, Three.js, Tailwind CSS, Vercel

- Developed a modern, interactive portfolio website to showcase personal projects and technical skills.
- Integrated 3D animations using Three.js for engaging visual effects.
- Designed a responsive layout with Tailwind CSS to ensure compatibility across devices.
- Optimized performance and accessibility to provide a seamless browsing experience.

EduNova | HTML, CSS, Bootstrap, JavaScript

- Developed a responsive e-learning platform inspired by Udemy.
- Built pages with navigation, carousel, career cards, and course sections.
- Implemented add-to-cart, payment flow (frontend simulation), and profile tracking using JavaScript & localStorage.
- Designed interactive UI with Bootstrap and Font Awesome for better user experience.
